## Guiding Principles from 2016 Phase 1 Report

- Dedicated and secure funding sources.
- Those who contribute to the problem should participate in funding or paying for the solution.
- Those who benefit from the solution should participate in funding or paying for the solution.
- Shared distribution of costs.
- State participation.
- Watershed-wide in scale.
- Manageable governance structure.
- Commitment to a long-term collaborative process.
- Adequately resourced administration.
- Support the goals and objectives of both the CL/LDW management plan, as well as goals for the future of the overall watershed.
